(i) all Liabilities arising under the Transferred Contracts to the extent that any such Liabilities under such Transferred Contract: (A) arise at or after the Closing Date; (B) do not arise from a breach, violation or default of such Transferred Contract by the Seller prior to the Closing Date; and (C) are not required to be performed prior to the Closing Date; and

(ii) all Liabilities relating to Buyer's ownership or operation of the Transferred Assets to the extent arising from events, facts or circumstances that occur from and after the Closing Date.

(d) Excluded Liabilities. Buyer is not assuming or agreeing to pay or discharge any Liabilities of the Seller (whether accruing before, on or after the Closing Date, whether known or unknown, fixed or contingent, asserted or unasserted, and not satisfied or extinguished as of the Closing Date), other

than the Assumed Liabilities and the Seller shall retain and be responsible for all other Liabilities of the Seller and its Affiliates (the "Excluded Liabilities"), including:

- (i) any Debt; provided, however, it is acknowledged and agreed that while the Senior Obligations and the Junior Obligations shall be discharged in full on the Closing Date in accordance with the terms of this Agreement, except as set forth in Section 2.01(b)(ii), any rights, claims or causes of action of the Seller in connection with the Transferred Security Documents shall be a Transferred Asset;

- (v) all insurance policies owned by the Seller, including all director and officer insurance liability policies (including EPL and tail policies), and all rights of any nature with respect to any such insurance policies owned by the Seller, including any recoveries thereunder and any rights to assert claims seeking any such recoveries (other than in respect of any insurance policies held by the Aircraft Lessee under the Aircraft Lease);
- (vi) any costs and expenses subject to reimbursement to the Senior Finance Parties or the Junior Finance Parties arising out of litigation relating to any Excluded Asset;
- (vii) all Liabilities relating to amounts to be paid by the Seller hereunder;
- (viii) all Liabilities relating to (x) any management, director or corporate servicing agreements or (y) any employment or independent consulting agreement, in each case, to which the Seller is a party; and
- (ix) any Liability related to any of the Seller's right, title and/or interest in any real property.

(e) Agreements and Allocation of Recoveries and Proceeds of the VNA Claims; Beneficial Rights in the VNA Claims and Proceeds Thereof. The Parties Agree as follows:

- (i) subject to the further provisions of this Clause 2.01(e), the Buyer shall purchase and hold legal and beneficial title to the VNA Claims against the Aircraft Lessee;
- (ii) subject to the further provisions of this Clause 2.01(e), (a) the Seller shall hold a full participation interest and all beneficial interests in the VNA Claims (Seller) Portion of the VNA Claims and (b) the Buyer shall hold the beneficial interests in the VNA Claims (Buyer) Portion of the VNA Claims ;
- (iii) subject to the Seller using commercially reasonable and good faith efforts to obtain reasonable recoveries on account of the VNA Claims, and notwithstanding which Party holds legal title to the VNA Claims at any time, the Seller shall, subject to the terms of this Section 2.01(e), possess full control over the enforcement and collection of the VNA Claims, including, without limitation, retaining discretion (subject to the above standard regarding commercially reasonable and good faith efforts) (A) as to what, if any, recovery,

enforcement or prosecution actions should be undertaken against the Aircraft Lessee on account of the VNA Claims; (B) with respect to the settlement authority with respect to such VNA Claims; (C) whether to abandon any VNA Claims (Seller) Portion to the extent it determines that it is not commercially reasonable to obtain further recovery on all or any portion of the VNA Claims; and (D) regarding any other actions or disposition of rights with respect to the VNA Claims; *provided* that with respect to the matters set forth in this subclause (iii), the Seller shall provide Buyer upon written request reasonable updates and reports regarding recovery efforts with respect to the VNA Claims; notwithstanding anything to the contrary contained in this Section 2.01(e)(iii), if (A) the Seller has not recovered, settled or abandoned any portion of any VNA Claims within six (6) months of the date hereof or (B) a default or Event of Default (as defined therein) has occurred under the New Aircraft Lease ((A) and (B) each being a “Buyer Enforcement Rights Event” and together the “Buyer Enforcement Rights Event”), then Buyer may pursue enforcement and collection of the VNA Claims (Buyer) Portion;

(iv) subject to subclause (v) below, until the latter to occur of (a) a Buyer Enforcement Rights Event and (b) the Buyer’s commencement of enforcement and collection of the VNA Claims (Buyer) Portion, (A) the Buyer shall reimburse Seller for an amount equal to 5/12ths of the VNA Claim Recovery Costs (as defined herein) incurred prior to the date on which the items described in this subsection (iv)(a)–(b) have occurred; and (B) as applicable (and without affecting Buyer’s obligation under the preceding subclause (A) if reimbursement under this subclause (B) is not effected), the Seller shall be entitled to deduct such reimbursement amount owed to it under the preceding subclause (A) from any recoveries, receipts or proceeds from the VNA Claims distributable to the Buyer under subclause (v) hereof; for purposes of this Section 2.01(e), the “VNA Claim Recovery Costs” are the reasonable, documented and out-of-pocket third party costs (including, without limitations, any reasonable, documented and out-of-pocket costs or expenses of external counsel) incurred by the Seller after the date hereof in enforcing any of its rights under the Side Letters in connection with obtaining any recoveries, receipts or proceeds on account of any of the VNA Claims;

(v) any actual net recoveries, receipts or proceeds obtained by the Seller (after taking into account the VNA Claim Recovery Costs and the reimbursements as provided in subclause (iv) above) on account of any of the VNA Claims, whether in cash or any other consideration, whether now or in the future, whether directly or indirectly, whether in whole or in part, shall be proportionately and concurrently allocated and distributed among the Seller and Buyer based upon their respective VNA Claims (Retained) Portion (for the Seller) and VNA Claims (Buyer) Portion (for the Buyer) of the VNA Claims; *provided, however*, that to the extent any of the VNA Claims recoveries, receipts or proceeds are paid in consideration other than cash, the Seller shall, promptly after the receipt thereof, transfer the economic value of the VNA Claims (Buyer) Portion of such non-cash consideration to the Buyer in U.S. dollars;

(vi) upon request from the Buyer, the Seller shall provide a reasonably detailed accounting of any of the foregoing matters; *provided, however*, that if the Buyer reasonably disputes any of the accounting of any of the foregoing matters, including the valuation of any non-cash consideration, the Parties shall consult with one another in good faith for a period of thirty days to resolve such dispute, which such consultation shall not prejudice either party from exercising any rights and/or remedies it may have under contract or under applicable law to the extent such dispute is not resolved by the Parties; and

(vii) notwithstanding the foregoing, after the date hereof, either Party may request in writing to the other Party that legal title in and to the VNA Claims be transferred from the Buyer to the Seller through a simple quit claim bill of sale, in which case the Parties shall so effect and transfer legal title to the VNA Claims within five business days after receipt of any such written request (with each Party bearing its own costs to effect the foregoing); *provided, however*, that any such change of ownership shall not affect the beneficial rights in and to the VNA Claims and the proceeds thereof, which beneficial interests, as provided above, shall be allocated with the Buyer holding all beneficial rights to the VNA Claims (Buyer) Portion (and the proceeds thereof) and the Seller holding all beneficial rights to the VNA Claims (Seller) Portion (and the proceeds thereof), in each case, subject to the foregoing provisions of this Section 2.01(e).

If a Buyer Enforcement Rights Event occurs pursuant to sub-clause (iv) above, the Seller shall, promptly upon or in any event within 5 Business Days of receipt of a request from the Buyer, (A) enter into all such documents and take all such steps and do all such things as may be reasonably requested by the Buyer in its sole discretion to effect the transfer of full legal and beneficial ownership in the VNA Claims and all other claims in respect of the Aircraft Lease, the Related Aircraft Documents, the New Aircraft Lease or the Side Letter Agreement to the Buyer (including, without limitation, notifying all relevant parties), and (B) agree to be nominally joined to any action brought by the Buyer in respect of the VNA Claims or otherwise in respect of the Aircraft Lease, the Related Aircraft Documents, the New Aircraft Lease or the Side Letter Agreement); *provided, however* that the Buyer reimburses the Seller for the reasonable, documented and out-of-pocket third party costs (including, without limitation, any reasonable, documented and out-of-pocket costs or expenses of external counsel) incurred by the Seller pursuant to this paragraph.

The Parties agree to further document, to the extent reasonably required or deemed necessary by either Party, the foregoing terms and/or further matters relating to the foregoing, all of which shall be subject to each Party acting in a commercially reasonable manner to delineate and implement the allocations and business terms reflected under this Clause 2.01(e).

(f) New Lease Transactions. The Parties agree that they will each use commercially reasonable and good faith efforts to have the Draft New Aircraft Lease and the Draft Side Letter Agreement (i) amended modified and revised to reflect that the Buyer is the Successful Bidder under the Sale Transactions relating to the Transferred Assets, that the Buyer is leasing the Aircraft to the Aircraft Lessee under such lease and to reflect the terms of Section 2.01(e) hereof and this Section 2.01(f) and such other terms as reasonably requested by the Seller and (ii) executed by the applicable signatories thereto, implemented and put into effect, in each case, after the revisions set forth in subclause (i) have been completed. The Parties also agree to use commercially reasonable and good faith efforts to take such actions reasonably related to the execution of the New Aircraft Lease and the Side Letter Agreement and the implementation of any transactions related thereto. The Buyer further agrees to reimburse the Seller for its reasonable, documented and out-of-pocket third party costs and expenses incurred by it (and its affiliates) for the period after the date hereof in connection with implementing the terms of this Section 2.01(f), including, without limitation, the reasonable, documented and out-of-pocket costs and expenses of external counsel.

Section 2.02 Assignment of Certain Transferred Assets. Notwithstanding any other provision of this Agreement to the contrary, this Agreement shall not constitute an agreement to assign or transfer any Transferred Asset or any claim or right or any benefit arising thereunder or resulting therefrom if an attempted assignment or transfer thereof, without the Consent of a third party (including any Government Authority), would after giving effect to the Sale Order and the Bankruptcy Code, constitute a

breach or other contravention thereof or a violation of Law or an Order of the Bankruptcy Court, or be ineffective with respect to any party to a Contract concerning such Transferred Asset, in each case that cannot be excused or rendered ineffective by operation of the Bankruptcy Code (or the Sale Order) or applicable non-bankruptcy Law; provided, that nothing in this Section 2.02 shall modify any representation or warranty of the Seller under this Agreement. If, on the Closing Date, any such Consent has not been obtained, the Seller and Buyer will comply with Error! Reference source not found. and, until such Consent is obtained, cooperate in a mutually agreeable arrangement (a) under which Buyer would, in compliance with Law or an Order of the Bankruptcy Court, obtain the benefits and assume the obligations and bear the economic burdens associated with such Transferred Asset, claim, right or benefit in accordance with this Agreement, including, for example (and without limitation of other similar arrangements being employed instead and in place thereof), by subcontracting, sublicensing or subleasing such Transferred Asset to Buyer or (b) under which the Seller would enforce for the benefit (and at the expense) of Buyer any and all of the Seller's rights against a third party associated with such Transferred Asset, claim, right or benefit (collectively, "Third Party Rights"), and the Seller will promptly pay to Buyer when received all monies received by them under any such Transferred Asset, claim, right or benefit (net of the Seller's expenses incurred in connection with any assignment or other performance contemplated by this Section 2.02). Upon obtaining any such Consent applicable to such Transferred Asset after the Closing, such Transferred Asset shall promptly be transferred and assigned to Buyer in accordance with the terms of this Agreement.

Section 2.03 Additional and Eliminated Transferred Contracts. Notwithstanding anything in this Agreement to the contrary, Buyer may, from time to time prior to a date which is five (5) Business Days prior to the Closing Date, and in its sole discretion, upon written notice to the Seller, amend or revise Schedule 2.01(a)(i) or Schedule 2.01(a)(iii) to eliminate any Contract therefrom or to add any Contract thereto, so long as, in each case, the Seller (x) is a party or Third Party Beneficiary to such Contract and (y) each such Contract relates to the Aircraft and/or the owning, financing, leasing, storage, maintenance and/or transit thereof. Automatically upon such addition of any Contract by Buyer in accordance with the previous sentence, such Contract shall be a Transferred Contract for all purposes of this Agreement. Automatically upon any such deletion of any Contract by Buyer in accordance with the first sentence of this Section 2.03, such Contract shall be an Excluded Asset for all purposes of this Agreement, and no Liabilities arising thereunder or relating thereto shall be assumed by Buyer or be the obligation, Liability or responsibility of Buyer, in each case, until and unless such time, if any, as Buyer restores such eliminated Contract to Schedule 2.01(a)(i) or Schedule 2.01(a)(iii) in accordance with the first sentence of this Section 2.03. If any Contract is added to the list of Transferred Contracts, then the Seller shall take such steps as are reasonably necessary to cause such Contract to be assumed and assigned to Buyer as promptly as possible at or following the Closing.

Section 2.04 Closing. The closing of the sale and purchase of the Transferred Assets and the assumption of the Assumed Liabilities (the "Closing") shall take place by telephone conference and electronic exchange of documents, at 9:00 a.m. (New York City time) on the second Business Day following the date upon which all Closing Conditions are satisfied or waived in writing (to the extent permitted by applicable Law) in accordance with ARTICLE X (other than those Closing Conditions that by their nature can only be satisfied at the Closing, but subject to the satisfaction or waiver of those Closing Conditions at such time), or on such other date or at such other time or place as the Parties may agree in writing. The date on which the Closing occurs is referred to in this Agreement as the "Closing Date." For all purposes under this Agreement and each other Transaction Agreement, (a) except as otherwise provided in this Agreement or such other Transaction Agreements, all matters at the Closing will be considered to take place simultaneously and (b) the Closing shall be deemed effective as of the Effective Time.

Section 2.05 Withholding. Buyer and its respective Affiliates shall be entitled to deduct and withhold from any amount otherwise payable under this Agreement such amounts as Buyer or any of its Affiliates are required to deduct and withhold with respect to the making of such payment under applicable

Law. To the extent that amounts are so deducted, withheld and timely paid over to the applicable Taxing Authority, such amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding were made. At least five (5) days prior to the Closing, Buyer shall provide the Seller with a written notice of its intent to withhold, the estimated amount to be withheld, the legal basis therefor and a reasonable opportunity to furnish forms, certificates or other items that would reduce or eliminate such withholding, and shall cooperate with the Seller using commercially reasonable efforts to reduce or eliminate any such withholding that otherwise would be required.

ARTICLE III

The aggregate consideration to be paid by Buyer for the sale of all of the Transferred Assets and the obligations of the Seller set forth in this Agreement (the “Purchase Price”) shall be an amount in Cash equal to the sum of (a) \$2,500,000 (the “Additional Cash Payment”), plus (b) all Senior Obligations, plus (c) all Junior Obligations, plus (d) any Cure Costs (which as of the date hereof is \$0), which obligations set forth in clauses (b) and (c) have been settled or otherwise liquidated and/or subject to the terms set forth in Exhibits C and D to the Sale Order.

(i) the Closing Payment (less the Total Set Off Amounts), by wire transfer of immediately available funds to an account or accounts as directed by the Seller, in the Estimated Closing Statement;

(ii) a counterpart of the Bill of Sale, Assignment and Assumption Agreement, duly executed by Buyer;

(iii) the officer's certificate required to be delivered to the Seller pursuant to Section 10.01(a)(iii);

(iv) such other instruments of conveyance and transfer in form and substance reasonably acceptable to the Seller as necessary to convey the Transferred Assets and Assumed Liabilities to Buyer.

Section 3.03 Estimated Closing Statement; Closing Payment. (a) No fewer than three (3) Business Days before the Closing Date, the Seller shall prepare and deliver to Buyer a written statement (the "Estimated Closing Statement") setting forth the aggregate Purchase Price, including the Hedge Break Amount and all outstanding principal of and accrued interest on the Senior Obligations and the Junior Obligations, and the Total Set-Off Amounts (if applicable), in each case, in accordance with the amounts and terms set forth in Exhibits C and D to the Sale Order.

(b) The Seller shall, during normal business hours, make available their respective Representatives responsible for and knowledgeable about the information used in, and the preparation of the Estimated Closing Statement, to respond to the reasonable inquiries of, or requests for information by, Buyer or its Representatives.

(c) The Closing Payment and any other payments to be made to the Seller under this Agreement shall be paid to the Seller for its account; provided, however, that (i) the Senior Obligations shall be paid directly by the Buyer to the Senior Finance Parties and (ii) the Junior Obligations shall be paid directly by the Buyer to the Junior Finance Parties, each in accordance with the terms of the Sale Order; provided, further, that to the extent that there is a dispute as to the amount of the pay-off required to be made to the Senior Finance Parties or the Junior Finance Parties, as the case may be, and/or the persons or entities to whom such payments should be made, then any such disputed amount shall be held (unless otherwise ordered by the Bankruptcy Court) in escrow by the Seller pending the resolution of any such dispute by the Bankruptcy Court).

Section 3.04 Certain Calculation Principles. The Estimated Closing Statement (and each of the components and defined terms from this Agreement reflected therein) shall be: (a) prepared and determined in accordance with GAAP, and (b) consistent with the provisions of this Agreement.

Section 3.05 Buyer Nominee. Buyer shall have the right, by notice in writing to the Seller Parties as soon as reasonably practicable, and in no event later than ten (10) days, prior to the Closing, to nominate a trust, the beneficiary of which is the Seller (a "Buyer Nominee") to purchase and take title to

any Transferred Asset pursuant to the provisions of this Agreement, and provided that such Buyer Nominee meets the following requirements, the Seller shall sell the relevant Transferred Asset to such Buyer Nominee pursuant to the provisions of this Agreement: (a) such Buyer Nominee complies with the Know Your Customers requirements of the Seller; and (b) such Buyer Nominee has the capacity and financial wherewithal to complete the purchase of such Transferred Asset. Notwithstanding any such nomination, (i) Buyer shall remain fully and primarily liable for the performance of all of its obligations under this Agreement and (ii) none of the liabilities or obligations of the Seller shall be increased as a result thereof and none of the Seller's rights or benefits under this Agreement shall be reduced, diminished or extinguished as a result thereof.

The execution, delivery and performance by the Seller of the Transaction Agreements (including the consummation of the Transactions) to which it is a party have been (or will be prior to the Closing) duly authorized by all requisite corporate or similar action on the part of the Seller. Provided that all Consents listed on Schedules 4.03 have been obtained, except as may result from any facts or circumstances relating to Buyer or its Affiliates (as opposed to any other third party or its Affiliates), the execution, delivery, and performance by the Seller of the Transaction Agreements do not and will not:

- (a) violate or conflict with in any material respect the certificate or articles of incorporation or bylaws or similar organizational documents of the Seller; or

- (c) violate in any material respect any Law or Order applicable to the Seller.

Section 4.03 Consents and Approvals. Except for the entry of the Sale Order and the Sale Procedures Order by the Bankruptcy Court and the matters determined and/or effected under the terms of such Orders, the execution, delivery and performance by the Seller of the Transaction Agreements do not and will not require any material Consent, waiver, or other action by, or any material filing with or notification to, any Government Authority or any other party by the Seller, except the filing, or receipt of, any Consents or notices listed on Schedule 4.03.

Section 4.04 Absence of Litigation. Except for (a) Actions by Fitzwalter or its Affiliates in connection with the Senior Facility Agreement, the Loan Transaction Documents and the Relevant Documents and (b) the Bankruptcy Case, as of the Agreement Date, no Actions are pending or, to the knowledge of Seller, threatened against the Seller (i) that would prevent or materially impair or delay the ability of the Seller to consummate the Transaction or (ii) with respect to the Aircraft or the Transferred Assets.

(b) For the period from the date hereof until Closing, the Seller shall not directly or indirectly disclose to the public or to any third party any material non-public information concerning or relating to the Buyer, except as may be required by applicable Law or the Bankruptcy Court, in which event the Seller shall to the extent practicable and permissible by Law, provide prior written notice to the Buyer of the content, form, timing and manner of any proposed disclosure; provided, however, that notwithstanding anything to the contrary contained in this Agreement, the Seller may disclose such information (a) to any of its stockholders, members, Affiliates, agents, Representatives and existing and potential financing sources who need to know such information for the sole purpose of evaluating, negotiating or implementing the Transactions or (b) where such disclosure is required under any applicable Law or is required pursuant to the Sale Procedures Order or is required by an Order of the Bankruptcy Court.

Subject to Section 6.03, the Parties will coordinate and cooperate fully with each other in exchanging such information and providing such assistance as the other Party may reasonably request in connection with the foregoing and in seeking early termination of any applicable waiting periods. All such registrations shall be initiated by counsel (such counsel to be agreed in advance of the Closing Date by the Seller and Buyer) on the Closing Date immediately following the Closing.

(d) Letters of Credit. If any letter of credit has been provided by the Aircraft Lessee to or for the benefit of the Seller or in connection with the Aircraft or the leasing thereof, and such letter of credit has not expired or otherwise been terminated or revoked, the Seller shall at Closing either (i) cause a replacement letter of credit in form and substance reasonably satisfactory to the Buyer to be issued in favor of the Buyer or the Buyer Nominee (as directed by the Buyer in writing) or (ii) pay to the Buyer, by way of set-off against the Purchase Price, an amount equal to the stated amount of such letter of credit.

BANKRUPTCY PROVISIONS

Section 8.01 Break-Up Fee and Expense Reimbursement. (a) Break Up Fees and Expense Reimbursement. To the extent approved under the Sale Procedures Order, in consideration for Buyer having expended considerable time and expense in connection with this Agreement and the negotiation

thereof and the identification and quantification of assets of the Seller, the Seller shall pay Buyer, in accordance with the terms hereof, (a) a break-up fee in an amount equal to three and one-half per cent (3.5%) of the Purchase Price (the “Break-Up Fee”), plus (b) without duplication in respect of the Other Agreement, an aggregate amount of up to \$1,500,000 for all of the actual, documented and reasonable out of pocket costs, fees and expenses (as delineated in invoice(s) sent by Buyer to the Seller in accordance with Section 12.03) that are incurred or to be incurred by Buyer or its Affiliates, including all reasonable out of pocket travel expenses and all fees, costs and expenses of any professionals (including financial advisors, outside legal counsel, accountants, experts and consultants) retained by Buyer or its Affiliates, in connection with or related to the authorization, preparation, investigation, negotiation, enforcement, execution, implementation and performance of this Agreement, the Other Agreement, the Transactions, the Other Transactions and the Bankruptcy Case and other judicial, extra-judicial and regulatory proceedings related to such Transactions and Other Transactions, (such costs, fees and expenses, the “Expense Reimbursement”). Each of the Parties acknowledges and agrees that the agreements contained in this Section 8.01 are an integral part of the Transactions and this Agreement and that the Break-Up Fee and the Expense Reimbursement are not a penalty, but rather are liquidated damages in a reasonable amount that will reasonably compensate Buyer in the circumstances in which such Break-Up Fee and/or Expense Reimbursement are payable for the efforts and resources expended and opportunities foregone by Buyer while negotiating and pursuing the Transactions and this Agreement and in reasonable reliance on this Agreement and on the reasonable expectation of the consummation of the Transactions, which amount would otherwise be impossible to calculate with precision. Claims of Buyer and its Affiliates in respect of the Break-Up Fee and the Expense Reimbursement hereunder are and constitute allowed administrative expense claims against the Seller under Sections 503(b) and 507(a)(2) of the Bankruptcy Code in the Bankruptcy Case.

(b) Timing of Payments of Break-Up Fee and Expense Reimbursement and Related Matters.

The Break-Up Fee and Expense Reimbursement shall be payable by the Seller upon the occurrence of a Trigger Event. The Break-Up Fee and Expense Reimbursement shall be paid by the Seller by wire transfer of immediately available funds to an account designated by Buyer as follows (1) in the event of a Trigger Event under clauses (ii), (iii), or (iv) of the definition of Trigger Event (or the definition of “Trigger Event” under the Other Agreement), from the first proceeds of any sale or other disposition, or of any financing (and no other lender claims will attach thereto), within (Y) two (2) Business Days following the date of consummation of a Competing Bid, other transfer, or financing in the case of the Break-Up Fee, and (Z) in the case of the Expense Reimbursement, two (2) Business Days after Buyer submits to the Seller invoice(s) detailing the Expense Reimbursement amounts, which invoice(s) shall solely summarize the work incurred to enable the Seller to review such invoice(s) for reasonableness, and shall not be subject to application or allowance by the Bankruptcy Court, or (2) in the event of any other Trigger Event, within two (2) Business Days after Buyer submits to the Seller invoice(s) detailing the Expense Reimbursement amounts, which invoice(s) shall solely summarize the work incurred to enable the Seller to review such invoice(s) for reasonableness, and shall not be subject to application or allowance by the Bankruptcy Court. The obligations set forth in this Section 8.01 with respect to the Break-Up Fee and Expense Reimbursement shall survive any termination of this Agreement.

Section 8.02 Competing Bid; Transfer of Intermediate Collateral. (a) This Agreement is subject to approval by the Bankruptcy Court and, other than in respect to the provisions related to the Break-Up Fee and Expense Reimbursement, the consideration by the Seller of higher and better competing bids in respect of all the Transferred Assets (and the “Transferred Assets” as defined in the Other Agreement) in accordance with the Sale Procedures Order (each a “Competing Bid”). From the Agreement Date (and any prior time) and until entry of the Sale Order, to the extent provided in the Sale Procedures Order, the Seller is permitted to, and to cause their Representatives and Affiliates to, initiate contact with, solicit or encourage submission of any inquiries, proposals or offers by, any Person (in addition to Buyer and its

Affiliates and Representatives) in connection with a Competing Bid. In addition, the Seller shall have the responsibility and obligation to respond to any inquiries or offers for a Competing Bid and perform any and all other acts related thereto which are required under the Bankruptcy Code, the Sale Procedures Order or other applicable Law, including supplying information relating to the Business and the assets of the Seller to prospective purchasers.

(b) The Seller may consensually effect an enforcement sale of the collateral granted to it by the Aircraft Head Lessee in accordance with the notice and bill of sale (the “Enforcement Notice and Bill of Sale”) in the form as filed with the Bankruptcy Court on or about January 13, 2022, and take all actions contemplated as required to implement and effectuate such Enforcement Notice and Bill of Sale. Notwithstanding anything herein to the contrary, all of the representations, warranties, covenants, obligations and agreements of the Seller contained herein shall carve out the terms and transactions provided for under the Enforcement Notice and Bill of Sale.

Section 8.03 Bankruptcy Court Filings. (a) The Seller and Buyer acknowledge that this Agreement and the Transactions are subject to entry of, as applicable, the Sale Procedures Order and, except to the extent provided in the Sale Procedures Order, the Sale Order. In the event of any discrepancy between this Agreement and the Sale Procedures Order and the Sale Order, the Sale Procedures Order and the Sale Order shall govern.

(b) The Seller shall give notice under the Bankruptcy Code of the request for the relief specified in the Debtors’ Application for Entry of Orders: (I)(A) Approving Bidding Procedures Relating to the Sale of Substantially All of the Debtors’ Assets; (B) Establishing Stalking Horse Bidders and Bid Protections; (C) Approving Procedures of the Assumption and Assignment of Certain Executory Contracts and Unexpired Leases; (D) Authorizing Enforcement Actions; (E) Scheduling an Auction and a Sale Hearing; and (F) Approving the Form and Manner of Notice Thereof; and (II)(A) Approving the Sale of the Purchased Assets Free and Clear of All Liens, Claims, Interests, and Encumbrances; and (B) Granting Related Relief [ECF No 21] (the “Sale Motion”) to all Persons entitled to such notice, including all Persons that have asserted Liens in the Transferred Assets and all non-debtor parties to the Transferred Contracts, and other appropriate notice as required by the Federal Rules of Bankruptcy Procedure and the local rules of the Bankruptcy Court, including such additional notice as the Bankruptcy Court shall direct or as Buyer may request, and provide appropriate opportunity for hearing, to all parties entitled thereto, of all motions, Orders, hearings, or other proceedings in the Bankruptcy Court relating to this Agreement, the Other Agreement, the Transactions, or the Other Transactions.

(c) The Seller shall use commercially reasonable efforts to ensure that the proposed Sale Procedures Order and Sale Order state that, the provisions of this Agreement and the Other Agreement, including (in each case) ARTICLE VIII, are reasonable, were a material inducement to Buyer, and were reasonably relied upon by Buyer in deciding, to enter into this Agreement and the Other Agreement, and are designed to achieve the highest or otherwise best price for the Transferred Assets.

(d) Subject to the Seller exercising its rights pursuant to Section 11.02, the Seller shall not, and shall cause its Affiliates not to, take any Action that is intended to result in, or fail to take any action the intent of which failure to act would result in, the reversal, voiding, modification or staying of the Sale Procedures Order or, if applicable, if Buyer is the prevailing bidder at the Auction, the Sale Order. The Seller shall, and shall cause its Affiliates to, comply with the Sale Procedures Order and the Sale Order.

(e) Buyer agrees that it will promptly take such Actions as are reasonably requested by the Seller to assist in obtaining entry of the Sale Procedures Order and the Sale Order and a finding of adequate assurance of future performance by Buyer, including furnishing witnesses, affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing

necessary assurances of performance by Buyer under this Agreement and demonstrating that Buyer is a “good faith” purchaser under Section 363(m) of the Bankruptcy Code.

(f) The Seller shall be responsible for making all necessary filings with the Bankruptcy Court, which material filings, including any amendments, supplements, or modifications thereto, shall be in form and substance reasonably acceptable to Buyer. The Seller and Buyer shall consult with one another regarding substantive pleadings that any of them intends to file with the Bankruptcy Court in connection with, or which might reasonably affect the Bankruptcy Court’s approval or modification of, as applicable, the Sale Procedures Order or the Sale Order. The Seller shall provide (or shall cause their Representatives to provide) Buyer with advance drafts of, and a reasonable opportunity to review and comment upon, the Sale Motion, the Sale Procedures Order, the Sale Order, and any substantive pleadings, motions, applications, petitions, schedules and supporting papers prepared by the Seller to be filed with the Bankruptcy Court (or, in each case, any amendments thereto) in furtherance of the Transaction as soon as reasonably practicable prior to the date the Seller Parties intend to file such motion, pleading or Bankruptcy Court filing, and the Seller shall make any reasonable modifications of such documents requested by Buyer. In the event the entry of the Sale Procedures Order and the Sale Order or any other Order of the Bankruptcy Court relating to this Agreement or the Transactions shall be appealed (or if any petition for certiorari or motion for reconsideration, amendment, clarification, modification, vacation, stay, rehearing or reargument shall be filed with respect to the Sale Procedures Order, the Sale Order or other such Order), the Seller shall use its respective commercially reasonable efforts to defend such appeal, petition or motion and obtain an expedited resolution of any such appeal, petition or motion.

(g) In accordance with the Sale Procedures Order or other Order of the Bankruptcy Court (or, if required by the Bankruptcy Court, a motion to assume and assign the Transferred Contracts), the Seller shall file with the Bankruptcy Court send a cure notice in respect of each Transferred Contract with sufficient detail to provide adequate notice to the non-debtor parties to such Contracts, and shall set forth the applicable Cure Cost, if any, for each Transferred Contract as reasonably estimated in good faith by the Seller. Upon removal by Buyer of any Contract from Schedule 2.02(a)(i) and Schedule 2.02(a)(iii) in accordance with Section 2.03, the Seller shall promptly remove such Transferred Contract from the cure notice and notify the non-debtor parties to such Contracts of such removal.

Section 8.04 Back-up Bidder. If Buyer is not the winning bidder at either an auction held in accordance with the Sale Procedures Order (the “Auction”), and if and only if (a) this Agreement together with the Other Agreement (or any further bid submitted by Buyer together with the Other Buyer at the Auction) is the second highest or second best bid, and (b) the Seller gives notice to Buyer on or before the Back-up Termination Date, stating that the Seller (i) failed to consummate the sale with the winning bidder, and (ii) terminated the purchase agreement with the winning bidder, Buyer shall promptly consummate the Transaction upon the terms and conditions as set forth herein, including the Purchase Price, as the same may be increased by Buyer at the Auction, if applicable.

Section 8.05 Bankruptcy Milestones. Without prejudice to any of the Seller’s obligations hereunder, the Seller shall use their reasonable best efforts to satisfy the milestones set forth in the Sale Procedures Order.

ARTICLE IX

TAX MATTERS

Section 9.01 Taxes.

(a) Each Party shall be liable for its own Taxes, including Transfer Taxes, and shall timely prepare and file, or cause to be timely prepared and filed, the relevant Tax Returns; provided, however, that the parties hereto acknowledge and agree that Seller shall not charge Buyer for any value

added sales, consumption, or similar Taxes (“VAT Transfer Tax”) in connection with the Transaction and to the extent that the Seller or any Taxing Authority determines that VAT Transfer Tax should be payable, Seller shall be responsible for the payment of such Tax.

(b) The Seller shall timely remit to the Seller’s local agent for payment to the appropriate Taxing Authority or directly to the applicable Taxing Authority, all Transfer Taxes imposed or arising with respect to the Transactions.

(c) The Parties shall use their commercially reasonable and good faith efforts to ensure that the Aircraft is located in a tax-efficient jurisdiction at the time of the Closing.

(d) For the avoidance of doubt, the Seller shall not be responsible, and shall not indemnify Buyer, for any of the Seller’s Transfer Taxes which are:

(i) Taxes arising in respect of events occurring after, but not including, the Closing Date, and Taxes that are not contemplated by the Transaction Agreements;

(ii) Taxes imposed on Buyer that are not Transfer Taxes and are based on or measured by net income or profits of Buyer (including interest, additions to Tax, penalties, or other charges in respect thereof); or

(iii) Taxes resulting from the gross negligence or willful misconduct of Buyer.

(e) Buyer shall provide to the Seller, and the Seller shall provide to Buyer, any written notices or correspondence received from the applicable Taxing Authority with respect to the payment of any of the Seller’s Transfer Taxes with respect to the Transaction.

Section 9.02 Survival. The obligations set forth in this ARTICLE IX with respect to Taxes shall survive until the date that is thirty (30) days following the expiration of the applicable statute of limitations with respect to the Tax Returns and Tax obligations, as applicable, contemplated hereby.

ARTICLE X

Section 10.01 Conditions to Obligations of the Seller. The obligation of the Seller to consummate the Closing shall be subject to the satisfaction or waiver by the Seller in its sole discretion, at or before the Closing, of each of the following conditions:

(a) Representations and Warranties; Covenants.

(i) all representations and warranties of Buyer contained in this Agreement shall be true and correct as of the Agreement Date and the Closing Date as if made on the Closing Date (other than representations and warranties that are made as of a specific date, which representations and warranties shall have been true and correct as of such date), except for breaches or inaccuracies, as the case may be, that, individually or in the aggregate, would not reasonably be expected to have a material adverse effect on Buyer’s ability to perform its obligations under this Agreement and consummate the Transactions; provided, however, that for purposes of determining the satisfaction of the condition in this clause (i), no effect shall be given to the exceptions of “material” in such representations and warranties;

(ii) the covenants contained in this Agreement required to be complied with by Buyer on or before the Closing shall have been complied with in all material respects, and

(b) Governmental Approvals. All Required Approvals shall have been obtained or, if applicable, shall have expired or been waived by the applicable Government Authority, or have been terminated.

(c) No Order. There shall be no Order in existence that enjoins or otherwise prohibits the sale of the Transferred Assets pursuant to this Agreement or the other Transactions.

(d) Transaction Agreements. The Seller shall have executed and delivered, or caused to be executed and delivered, to Buyer all Transaction Agreements to be executed by it and the other deliverables contemplated by Section 3.02(a).

(e) Other Agreements. The Other Seller shall have executed and delivered, or caused to be executed and delivered, the Other Agreements to be executed by it and the other deliverables

Section 10.03 Frustration of Closing Conditions. Neither the Seller nor Buyer may rely on the failure of any condition set forth in this ARTICLE X to be satisfied if such failure was caused by such Party's failure to act in good faith or to use reasonable best efforts to cause the Closing Conditions of each such other Party to be satisfied, including as required by Error! Reference source not found.

Section 10.04 Waiver of Closing Conditions. Upon the occurrence of the Closing, any condition set forth in this ARTICLE X that was not satisfied as of the Closing shall be deemed to have been waived as of and from the Closing.

ARTICLE XI

TERMINATION

Section 11.01 Termination. Notwithstanding anything in this Agreement to the contrary, this Agreement may be terminated before the Closing:

- (a) by the mutual written consent of the Seller and Buyer;
- (b) by the Seller, if Buyer shall have breached any representation or warranty or failed to comply with any covenant or agreement applicable to Buyer that would cause any Closing Condition set forth in Section 10.01 not to be satisfied, and (i) such breach is not waived by the Seller or (ii) if such breach has not been waived by the Seller but is curable and is not cured by Buyer prior to the earlier to occur of (A) ten (10) Business Days after receipt of the Seller's notice of its intent to terminate and (B) the Outside Date (or such later date as agreed between the Seller and Buyer); provided, however, that the Seller is not then in material breach of this Agreement;

(c) by Buyer, if the Seller shall have breached any representation or warranty or failed to comply with any covenant or agreement applicable to the Seller that would cause any Closing Condition set forth in Section 10.02 not to be satisfied, and (i) such breach is not waived by Buyer or, (ii) if such breach has not been waived by Buyer but is curable and is not cured by the Seller prior to the earlier to occur of (A) ten (10) Business Days after receipt of Buyer's notice of its intent to terminate and (B) the Outside Date (or such later date as agreed between the Seller and Buyer); provided, however, that Buyer is not then in material breach of this Agreement;

(d) by Buyer, if the Closing shall not have occurred by March 15, 2022 (or such later date as agreed by the Parties, which agreement shall not be unreasonably withheld, the "Outside Date"); provided, however, that if the Closing shall not have occurred on or before the Outside Date, due to a material breach of any representations, warranties, covenants or agreements contained in this Agreement by Buyer, then Buyer may not terminate this Agreement pursuant to this Section 11.01(d).

(e) by either the Seller or Buyer, in the event that any Government Authority of competent jurisdiction shall have issued an Order that permanently enjoins the consummation of the purchase of the Transferred Assets contemplated by this Agreement and such Order shall have become final and non-appealable; provided, however, that the right to terminate this Agreement under this Section 11.01(e) shall not be available to the Seller or Buyer whose Action or failure to fulfill any obligation under this Agreement has been the cause of the issuance of such Order or other Action;

(f) by either the Seller or Buyer (subject in the case of Buyer to Buyer's obligation to be the Backup Bidder pursuant to Section 8.04), if the Seller enters into a definitive agreement with respect to a Competing Bid, upon entry by the Bankruptcy Court of an Order approving such agreement; and

(g) by the Seller, if the Seller is entitled to terminate, or has terminated, the Other Agreement.

Section 11.02 Notice of Termination. If either the Seller or Buyer desires to terminate this Agreement pursuant to Section 11.01, such Party shall give written notice of such termination to the other Party.

Section 11.03 Effect of Termination. (a) If this Agreement is terminated pursuant to Section 11.01, this Agreement shall thereupon become null and void and of no further force and effect, except for the provisions of (i) Section 6.03, (ii) Section 8.01, (iii) Section 11.01, (iv) this Section 11.03 and (v) ARTICLE XII. Nothing in this Section 11.03 shall be deemed to release any Party from any Liability for any breach by such Party of any term of this Agreement or impair the right of any Party to compel specific performance by any other Party of its obligations under this Agreement; provided, however, that, if this Agreement is validly terminated pursuant to this ARTICLE XI, no Party shall have any remedy or right to recover for any Liabilities resulting from any breach of this Agreement (other than breaches of (i) Section 6.03, (ii) Section 8.01 and (iii) Section 11.01), unless the breaching Party willfully and knowingly committed fraud against the non-breaching Party with the specific intent to deceive and mislead the non-breaching Party regarding the representations and warranties made in this Agreement; provided further, that a failure of Buyer to consummate the Closing when required pursuant to the terms of this Agreement shall be deemed to be a knowing and intentional breach or violation, whether or not Buyer had sufficient funds available.

ARTICLE XII

(a) references to “applicable” Law or Laws with respect to a particular Person, thing or matter means only such Law or Laws as to which the Government Authority that enacted or promulgated such Law or Laws has jurisdiction over such Person, thing or matter as determined under the Laws of the State of New York as required to be applied thereunder by the Bankruptcy Court; references to any statute, rule, regulation or form (including in the definition thereof) shall be deemed to include references to such statute, rule, regulation or form as amended, modified, supplemented or replaced from time to time (and, in the case of any statute, include any rules and regulations promulgated under such statute), and all references to any section of any statute, rule, regulation or form include any successor to such section;

(b) when calculating the period of time before which, within which or following which any act is to be done or step taken pursuant to this Agreement, the date that is referenced in beginning the calculation of such period will be excluded (for example, if an action is to be taken within two (2) days after a Triggering Event and such event occurs on a Tuesday, then the action must be taken by Thursday); if the last day of such period is a non-Business Day, the period in question will end on the next succeeding Business Day;

(c) whenever context requires, words in the singular shall be held to include the plural and vice versa, and words of one gender shall be held to include the other gender;

(d) (i) the provision of a table of contents, the division into Articles, Sections and other subdivisions and the insertion of headings are for convenience of reference only and shall not affect or be utilized in construing or interpreting this Agreement and (ii) references to the terms “Article,” “Section,” “subsection,” “subclause,” “clause,” “Schedule” and “Exhibit” are references to the Articles, Sections, subsections, subclauses, clauses, Schedules and Exhibits to this Agreement unless otherwise specified;

Section 12.04 Survival. Except to the extent that any covenant that by its terms is to be performed (in whole or in part) by any Party following the Closing, none of the representations, warranties, or covenants of any Party set forth in this Agreement shall survive, and each of the same shall terminate and be of no further force or effect as of, the Effective Time.

Section 12.05 Severability. If any term or provision of this Agreement is held invalid, illegal or unenforceable in any respect under any applicable Law, as a matter of public policy or on any other grounds, the validity, legality and enforceability of all other terms and provisions of this Agreement will not in any way be affected or impaired. If the final judgment of a court of competent jurisdiction or other Government Authority declares that any term or provision hereof is invalid, illegal or unenforceable, the Parties agree that the court making such determination will have the power to reduce the scope, duration, area or applicability of the term or provision, to delete specific words or phrases, or to replace any invalid, illegal or unenforceable term or provision with a term or provision that is valid, legal and enforceable and that comes closest to expressing the intention of the invalid, illegal or unenforceable term or provision.

Section 12.06 Assignment. This Agreement will be binding upon and inure to the benefit of and be enforceable by the respective successors and permitted assigns of the Parties. No Party may assign (whether by operation of Law or otherwise) this Agreement or any rights, interests or obligations provided by this Agreement without the prior written consent of the other Parties. Any attempted assignment in violation of this Section 12.06 shall be void ab initio.

Section 12.07 No Third-Party Beneficiaries. This Agreement is for the sole benefit of the Parties and their respective successors and permitted assigns, and, except as expressly set forth in this Agreement, nothing in this Agreement shall create or be deemed to create any third party beneficiary rights in any Person not a party hereto, including any Affiliates of any Party (other than any Affiliates of the Buyer in connection with Section 8.01).

Section 12.08 Entire Agreement. This Agreement (including the Disclosure Schedules) and the other Transaction Agreements (and all exhibits and schedules hereto and thereto), and the Other Agreement (including its Disclosure Schedules (as defined in the Other Agreement)) and the other Transaction Agreements (as defined in the Other Agreement) (and all exhibits and schedules under the Other Agreement and its Transaction Documents (as defined in the Other Agreement) collectively constitute and contain the entire agreement and understanding of the Parties with respect to the subject matter hereof and thereof and supersede all prior negotiations, correspondence, understandings, agreements and Contracts, whether written or oral, among the Parties respecting the subject matter hereof and thereof. To the extent any terms and provisions of this Agreement are in any way inconsistent with or in conflict with any term, condition or provision of any other Transaction Agreement (which, for the avoidance of doubt, excludes the Sale Procedures Order, the Sale Order and any other Order of the Bankruptcy Court), this Agreement will govern and control.

Section 12.09 Amendments. This Agreement (including all exhibits and schedules hereto) may be amended, restated, supplemented or otherwise modified, only by written agreement duly executed by each Party.

Section 12.10 Waiver. At any time before the Closing, either the Seller or Buyer may (a) extend the time for the performance of any obligation or other acts of the other Party, (b) waive any breaches or inaccuracies in the representations and warranties of the other Party contained in this Agreement or in any document delivered pursuant to this Agreement or (c) waive compliance with any covenant, agreement or condition contained in this Agreement but such waiver of compliance with any such covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

Any such waiver shall be in a written instrument duly executed by the waiving Party. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

Section 12.11 Governing Law. This Agreement, and any Action that may be based upon, arise out of or relate or be incidental to any Transaction, this Agreement, the negotiation, execution, performance or consummation of the foregoing or the inducement of any Party to enter into the foregoing, whether for breach of Contract, tortious conduct or otherwise, and whether now existing or hereafter arising (each, a "Transaction Dispute"), will be exclusively governed by and construed and enforced in accordance with the internal Laws of the State of New York, without giving effect to any Law or rule that would cause the Laws of any jurisdiction other than the State of New York to be applied.

Section 12.12 Dispute Resolution; Consent to Jurisdiction. (a) Without limiting any Party's right to appeal any Order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any Transaction Dispute which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the Transactions, and (ii) any and all proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court, and the Parties hereby Consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 12.03; provided, however, upon the closing of the Bankruptcy Case, the Parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the U.S. District Court for the Southern District of New York sitting in New York County or the Commercial Division of the Courts of the State of New York sitting in the County of New York and any appellate court from any thereof, for the resolution of any such Transaction Dispute. In that context, and without limiting the generality of the foregoing, each Party irrevocably and unconditionally:

(i) submits for itself and its property to the exclusive jurisdiction of such courts with respect to any Transaction Dispute and for recognition and enforcement of any judgment in respect thereof, and agrees that all claims in respect of any Transaction Dispute shall be heard and determined in such courts;

(ii) agrees that venue would be proper in such courts, and waives any objection that it may now or hereafter have that any such court is an improper or inconvenient forum for the resolution of any Transaction Dispute; and

(iii) agrees that the mailing by certified or registered mail, return receipt requested, to the Persons listed in Section 12.03 of any process required by any such court, will be effective service of process; provided, however, that nothing herein will be deemed to prevent a Party from making service of process by any means authorized by the Laws of the State of New York.

(b) The foregoing consent to jurisdiction will not constitute submission to jurisdiction or general consent to service of process in the State of New York for any purpose except with respect to any Transaction Dispute.

Section 12.13 Waiver of Jury Trial. To the maximum extent permitted by Law, each Party irrevocably and unconditionally waives any right to trial by jury in any forum in respect of any Transaction Dispute and covenants that neither it nor any of its Affiliates will assert (whether as plaintiff, defendant or otherwise) any right to such trial by jury. Each Party certifies and acknowledges that (a) such Party has considered the implications of this waiver, (b) such Party makes this waiver voluntarily and (c) such waiver constitutes a material inducement upon which such Party is relying and will rely in entering into the this Agreement. Each Party may file an original counterpart or a copy of this Section 12.13 with any court as written evidence of the consent of each Party to the waiver of its right to trial by jury.

Section 12.14 Admissibility into Evidence. All offers of compromise or settlement among the Parties or their Representatives in connection with the attempted resolution of any Transaction Dispute, (a) shall be deemed to have been delivered in furtherance of a Transaction Dispute settlement, (b) shall be exempt from discovery and production and (c) shall not be admissible into evidence (whether as an admission or otherwise) in any proceeding for the resolution of the Transaction Dispute.

Section 12.15 Remedies; Specific Performance. (a) Except to the extent set forth otherwise in this Agreement, all remedies under this Agreement expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by Law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy.

(b) Each Party agrees that irreparable damage would occur and the Parties would not have an adequate remedy at law if any provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached. Accordingly, each Party agrees that the other Party will be entitled to injunctive relief from time to time to prevent breaches of the provisions of this Agreement and to enforce specifically the terms and provisions of this Agreement, in each case (i) without the requirement of posting any bond or other indemnity and (ii) in addition to any other remedy to which it may be entitled, at law or in equity. Furthermore, each Party agrees not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches of this Agreement, and to specifically enforce the terms of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of such Party under this Agreement. Each Party expressly disclaims that it is owed any duty not expressly set forth in this Agreement, and waives and releases all tort claims and tort causes of action that may be based upon, arise out of or relate to this Agreement, or the negotiation, execution or performance of this Agreement.

Section 12.16 Target Closing Timeline. Any matter, information or item disclosed in the Disclosure Schedules, under any specific representation or warranty or schedule or section thereof shall be deemed to be disclosed and incorporated by reference in any other schedule or section of the Disclosure Schedules to the extent it is reasonably apparent from the face of such disclosure that such disclosure is applicable to such other schedule(s) or section(s). The inclusion of any matter, information or item in the Disclosure Schedules as an exception to a representation or warranty shall not be deemed to constitute (i) an admission of any Liability by the Seller Parties to any third party, (ii) an admission that any breach or violation of applicable Laws or any contract or agreement to which the Seller is a party exists or has actually occurred, (iii) an admission that such item is outside the ordinary course of business or not consistent with past practice, or (iv) otherwise imply an admission that such item represents a material exception or material fact, event, circumstance or that such item has had, or would reasonably be expected to have a material adverse effect.
